

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

## ERRATUM NOTICE: LA SALLE EXTENSION UNIVERSITY

In the article on "Correspondence School Instruction by Non-Academic Institutions" which appeared in the September, 1916, issue of *The Annals* (page 205), the name "La Salle Institute" should have read "La Salle Extension University." This correction is made at the suggestion of the author and in fairness to the La Salle Extension University, of Chicago, concerning whose work data are there given.
